the Telecommunications Act of 1996, CC Docket No. 96-98; Developing a
Unified Intercarrier Compensation Regime, CC Docket No. 01-92; Sprint
Corp. Petition for Declaratory Ruling Regarding the Routing and Rating of
Traffic by LECs, CC Docket No. 01-92

Dear Ms. Dortch:

On Monday, January 31, 2005, Robert Quinn and the undersigned met with Jessica Rosenworcel, Legal Advisor to Commissioner Michael Copps, concerning the intercarrier compensation FNPRM and virtual NXX / transiting issue. The positions discussed were consistent with AT&T's January 25, 2005 written *ex parte* submission arguing against the application of access charges on virtual NXX and ISP-bound traffic and our January 27, 2005 written *ex parte* submission addressing the obligations of all carriers under the Act and the Commission's rules regarding the provision of transiting, as filed in the above-captioned proceedings.

Consistent with Section 1.1206 of the Commission's rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-captioned proceedings.

Respectfully submitted,

cc: J. Rosenworcel
